Profile Summary

Dedicated Computer Science Educator and MCA graduate with practical experience in technical training, curriculum delivery, and student mentorship. Proficient in Python programming, Relational Database Management Systems (SQL), modern web development, and foundational computing systems. Actively preparing for UGC NET / SET examinations with a strong commitment to practical pedagogy, laboratory instruction, and academic excellence in higher education.

Work Experience

Associate Trainer | April 2026 – Present

AISECT Regional Office — Rewa, Madhya Pradesh

- Deliver classroom lectures and practical laboratory sessions on Computer Fundamentals, MS Office, and Python Programming.
- Design hands-on coding assignments, practical worksheets, and technical assessment tests to gauge student learning outcomes.
- Mentor students on writing relational database queries (SQL) and building responsive web interfaces (HTML, CSS, JavaScript).
- Bridge theoretical computing principles with practical software implementation through real-world examples and interactive lab problem-solving.

Education

Master of Computer Applications (MCA)

Dr. A.P.J. Abdul Kalam University, Indore, MP | Graduated: 2024

Bachelor of Science in Computer Science (B.Sc. CS)

Maharaja Agrasen International College, Raipur, CG | Graduated: 2020

Skills

- **Programming:** Python, JavaScript, C/C++, HTML5/CSS3
- **Databases:** SQL, MySQL, SQLite, RDBMS
- **Core CS:** Data Structures (Basics), Computer Fundamentals, OS, Computer Architecture
- **Tools:** Git, GitHub, VS Code, MS Office (Word, Excel, PowerPoint)
- **Teaching & Pedagogy:** Lab Instruction, Classroom Lecturing, Curriculum Planning, Student Assessment & MCQ Design

Certificate

- iOS App Development – 2021 - 2022 (Code Better Indore)
- MERN Stack Development – 2024 (Mind Coders Indore)

Workshops & Aspirations

- **10-Day Technical & Pedagogical Workshop:** Mandsaur University (MIT) (*September 2024*) – Hands-on immersion in emerging computing technologies and contemporary academic teaching methods.
- **Target Credentials:** UGC NET / SET Aspirant in Computer Science & Applications for Higher Education Lecturing.
